選擇及一般設定

The image shows a CD-ROM interface for EuroTalk.com. A cartoon character wearing a red cap and sunglasses is pointing at a tablet displaying the main menu. The menu includes options for 'World Talk AMERICAN ENGLISH', 'TV Quiz', 'Student Records', and a flag icon. Callouts in Chinese explain each option. At the bottom, there is a 'Licence' button and a disclaimer.

主畫面

The screenshot shows the main menu of the 'American English' software. At the top left is the 'AMERICAN ENGLISH' logo with an American flag. In the center is the name 'eileen'. At the top right is the 'World Talk' logo. The main area features a large wheel divided into ten segments, each with different icons representing various topics. Surrounding the wheel are several interactive elements: a '學習總分' (Total Score) icon, a 'TV 競賽' (TV Competition) icon, a '默寫練習' (Dictation Practice) icon, a '錄音室' (Recording Studio) icon, and a '音量調整' (Volume Adjustment) slider. A central callout box states: '共有十個主題，請點選任意主題，進入課程' (There are ten topics, please click any topic to enter the course). At the bottom left, there is a '上一頁 / 說明' (Previous Page / Help) button.

默寫練習 2/2

請先選擇要練習的課程

The screenshot shows a software interface for dictation practice. At the top center, a callout box says "請先選擇要練習的課程" (Please first select the course to practice). Below this is a central window with a video player. The video shows three women at a birthday party, with the text "Mary's Saturday" below it. A yellow progress bar is visible. To the left of the video player is a callout box "文章內容 (可列印)" (Article content (printable)) pointing to a document icon. Below the video player are three red buttons: a left arrow, a pause symbol, and a right arrow, with a callout box "前一段 / 暫停 / 下一段" (Previous segment / Pause / Next segment). To the right of these buttons is a green volume knob with a callout box "音量調整" (Volume adjustment). Below the volume knob is a callout box "速度調整" (Speed adjustment) pointing to a green circular speed control. At the bottom left, a red arrow points to a "上一頁" (Previous page) button. At the bottom center, a speech bubble icon is labeled "畫面說明" (Screen help). At the bottom right, there is a small character icon. The background of the interface has a purple gradient with the word "dictation" repeated in various orientations.

The interface features a central yellow panel with three windows. The left window shows a waterfall with a rainbow. The middle window shows fireworks. The right window shows a person holding a blue umbrella. A cartoon character with a red cap and sunglasses is positioned at the bottom right of the panel. A red digital display in the top right corner shows '020'. Below the panel is a control bar with several icons: a multi-colored wheel, a speech bubble, a play button, a volume icon, and a slider. Callout boxes provide labels for these controls.
